Email [sale@trianglemultiples.org](mailto:sale@trianglemultiples.org) if you are interested in more details.

#### **Purchases:**

- Credit card: There will be a 2.75% convenience fee on all credit card purchases. There is no minimum purchase amount for using a credit card. Must have a valid driver's license matching the name on the card required for credit card purchases.
- **All sales are final.** Check all items (for quality, work properly, etc.) before purchasing.
- Sellers set their individual prices. Management cannot negotiate prices during the sale, even if a tag is missing. Tagless items will not be sold.

Tips:

- Bring a cart or large tote to collect items. Popular containers include laundry baskets (with a rope attached to drag), Ikea bags, Thirty-One large utility totes, beach carts, and rolling shopping baskets. Please avoid wheeled items that would be sold on the floor to avoid any confusion.
- All large equipment (high chairs, strollers, cribs/toddler beds, exersaucers, bikes, etc.) cannot be reserved. We recommend either the buyer or a helper purchase large equipment first, store it in their cars, and return for the rest of their shopping. You can have your helper outside to hand off to and return quickly to shop.

Thank you for shopping the sale to help support our members and our local club in it's member and community outreach! Please help us spread the word and continue this long standing tradition.
